

The Mystery of Forward Motion

“Creating a sense that music and story are moving to a climax...”

What is “Forward Motion”?

From Bach to Barbershop, Forward Motion propels the story and compels the audience to listen.

Elements of Forward Motion

1. Purposeful Ebb and Flow of the story - Pacing
“Never confuse motion with action”
2. Internal Dynamics – Dynamic Journey
“The spaces between the notes are beauty opportunities”
3. Artistic Breathing – Quick, Dramatic, Delayed, Suspended
“The beginning of drama is how you breathe”
4. Intention – Authentic Storytelling
“A journey is never stagnant”
5. Breath Energy – Propels the Story
“Air flow is the magic carpet ride for the story”

In order to light a fire in the hearts of others, a fire must be burning within our own hearts.

“Every Artists was first an amateur.”
Ralph Waldo Emerson

***“What happens when people open their hearts?
They get better.” Haruki Murakam***
