

2018 **Quartet** Photo Instructions

The weekend will be a very busy time for all of you and it will help a lot if you think of your photo needs prior to coming to Competition.

We will only have a short time together in the pattern so preplanning is vital. To best use this time, we ask that you think about what pose you would like. You may have a very specific idea (bring a sample if you have one) or just a general idea, such as full-length or close-up. It helps us come up with ideas if we know what you have in mind.

You may view some sample poses on this special website. Go to <http://port77.com/erlilleyphoto.com/poses> We have some ideas including the high angle shots from above (does wonders for chins), floor poses and others. View the gallery and see if any of these poses appeals to you. Upon arrival in the photo room you want to tell the photographer, "Pose #9". This will save a lot of your valuable time.

Please fill in the order form and bring it with you to **Quartet Briefing** (different from years past). Please bring a check (paypal Or cash) for the amount of the order (**Please don't forget to add the shipping fee**).

We have changed this step because of all the information that IS NOT filled in on order form. We absolutely need your PHONE NUMBER (DAY), ADDRESS, WEB ADDRESS **AND A DESCRIPTION OF YOUR COSTUME**. If you are going to have a close-up pose don't describe your shoes or slacks! Don't laugh, it happens all the time. Delivery will be in 2 to 3 weeks

When you write your email address PLEASE PRINT. One misread letter makes the address useless.

The photographs we take are protected by copyright. If you wish to use our images for publicity or promotions you need to purchase the publicity CD for \$20. It is included in the Quartet Special Package.
