Or you can set up Finale or other manuscript software sessions beginning Friday morning, June 10th, in the Lobby with Anita Barzilla.

To set up a music software session, please send an email to Anita now to let her know you are interested and give her your software program info. You will need your laptop with software program to participate in your one-on-one mentoring session for music software. Come prepared with your questions and examples. If you don't have software or a laptop, but need help with manuscript issues, bring your latest work for a critiquing consult session. Manuscript sessions can be one-on-one or with a buddy.

CLASSES: We are in the process of developing our classes and agenda, which will include, among others, composition and more arranging of the song we chose last year. We'll send out a draft Agenda to those who have indicated they're attending when it's ready. Final Agendas will be distributed at the retreat - we're forever making last minute tweaks!

HOTEL LINK: We will be returning to the Tucson Hilton East. The hotel will honor last year's prices even though they have increased their rates. I will send you the the room information and link for reservations once I have it from the hotel.

SAT. NIGHT DINNER LINK: This dinner is not included in the registration fee. We're having dinner at the restaurant at the hotel. There's a link to the dinner menu at this site: <http://www3.hilton.com/en/hotels/arizona/hilton-tucson-east-TUSHEHF/dining/index.html>

SAT. NIGHT WRAP-UP: This year we will have our wrap-up at the hotel after dinner on Saturday evening. This is where we discuss the pros and cons of what happened Friday and Saturday and get ideas for future ADP events. As always, we will have sheet music available that you can photo from your cell phones if you're interested in trying to arrange them.

SUN. MORNING STAFF MEETING: Anna's house and a light lunch will be provided.
